**SUBJECT:** *Turf Removal Available for Public Agencies, Institutions, and Homeowner Associations*

---

Temecula, CA October 12, 2015 –

In partnership with the Santa Ana Watershed Project Authority and the Department of Water Resources, Rancho California Water District (RCWD) invites public agencies, institutions, and homeowners' associations to apply for funding that will help pay for turf removal projects. Funding will be made available at \$1 per square foot of turf removed, up to a maximum of \$250,000 per project. A total of \$525,000 is available through this funding opportunity, and it is anticipated that between 3 and 10 projects will be awarded funding. Applications for funding must be submitted to the District by Friday November 6, 2015 at 5 p.m. pacific standard time to be considered. Application materials and further details regarding this grant offering can be found at [www.ranchowater.com/turfgrant](http://www.ranchowater.com/turfgrant)

###

***Formed in 1965, Rancho California Water District supplies an area consisting of approximately 150 square miles. The District serves the area known as Temecula/Rancho California, which includes the City of Temecula, parts of Murrieta, and other contiguous lands. The District is separated into two divisions: the Santa Rosa Division generally west of I-15 and Rancho Division***

**generally east of I-15. The District currently provides sewer service to the Cal Oaks and Bear Creek areas.**

*“The mission of the Rancho California Water District is to deliver reliable, high-quality water, wastewater and reclamation services to its customers and communities in a prudent and sustainable manner.”*
