---

Temecula, CA May 19, 2014 – Rancho California Water District (RCWD), for the nineteenth consecutive year, is presented with the *Certificate of Achievement for Excellence in Financial Reporting Award* bestowed by the Government Finance Officers Association of the United States and Canada (GFOA) for its comprehensive annual financial report (CAFR). The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

The CAFR was judged by an impartial panel to meet the high standards of the program including demonstrating a constructive “spirit of full disclosure” to clearly communicate its financial story and motivate potential users and user groups to read the CAFR.

Steve Corona, RCWD Board President commented, “Staff does an amazing job and we appreciate all of their hard work.” Matthew Stone, RCWD General Manager, stated, “RCWD is honored to receive the certificate. We continue to strive for excellence throughout the organization and the excellence in financial reporting follows that tradition.”

Jeff Armstrong, Chief Financial Officer, credits the efforts of the finance department who collectively contributed to the preparation of the report.
